This matter comes before the Public Service Commission of South Carolina (the Commission) on the joint request of Managed Services, Inc. ("Managed Services" or the Company) and the Office of Regulatory Staff ("ORS") (together, the "joint requestors") for an Order extending the one hundred twenty (120) day period found in S.C. Code Ann. Section 58-9-280(B) (Supp. 2005) in which the Commission must issue an Order on the merits of the Company's case. In this case, the period expired on October 9, 2006, although final disposition by vote was not made by the Commission until October 11, 2006. In order to allow the Commission to complete the written Order on this matter, the joint requestors ask that the time period in which the order is to be issued be extended until November 9, 2006. The other party to this matter (the South Carolina Telephone Coalition) has indicated that it does not object to the 120-day time period being extended.

Accordingly, with the consent of the additional party, we grant the request. We hereby hold that the time period in which the merits order is to be issued in this matter shall be extended to November 9, 2006.

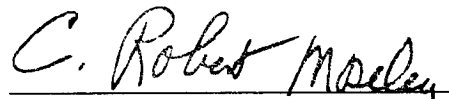

This Order shall remain in full force and effect until further Order of the Commission.
